STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 02/26/2022 while exercising my duties as a law enforcement
 officer in the _____ District of MT

Pursuant to 16USC 551:

VN NO: FCDS001R
 Loc CD: M9GF

STATEMENT OF PROBABLE CAUSE

I Officer Corey Scevers state that on February 26, 2022 at approximately 1250 hours was exercising my duties as a Law Enforcement Officer on the White Sulphur Springs Ranger District of the Helena Lewis and Clark National Forest. While exercising my duties I was conducting an over the snow vehicle saturation patrol with multiple Montana Fish Wildlife and Park Wardens located at Kings Hill winter recreation area. While patrolling the area the Wardens and I stopped to talk with two snowmobilers sitting right off the groomed trail system. I later identified the owner of both OSV's as Davis WAYNE. I asked WAYNE if he had valid registration and trail passes for both of his OSV's. WAYNE stated he did. I inspected both OSV's and both had registration decals. I also noticed both OSV's had an Orange groomed trail pass that expired in the year of 2020. WAYNE stated he was shorted a year by the vender he bought it from and thought the trail passes were good for 3 years. I explained to WAYNE the passes used to be good for 3 years but are now only 2 years and his pass is expired by 2 years. WAYNE informed me he thought he was only expired by a year. WAYNE also informed me he saw us in the parking lot but decided to come out anyways. I informed WAYNE he had 2 violations, 1 for each OSV's that is registered to him. Due to WAYNE's compliance I issued 1 citation for the OSV Wayne was riding and issued a warning noticed for the other OSV. I let WAYNE and his partner ride the rest of the day and informed him he needed to get an updated OSV trail pass to ride on the groomed trail systems in the state of Montana.

The foregoing statement is based upon:

MY PERSONAL OBSERVATION
